1        ➔ Section 1. KRS 138.510 is amended to read as follows:

2        (1) (a) Except as provided in paragraphs (b) and (d) of this subsection, an excise tax  
3                is imposed on all tracks conducting pari-mutuel wagering on live racing under  
4                the jurisdiction of the authority.

5                1. For each track with a daily average live handle of one million two  
6                hundred thousand dollars (\$1,200,000) or above, the tax shall be in the

24                be imposed on pari-mutuel wagering on any live racing conducted

1 during the one (1) or two (2) day international horse racing event held at  
 2 a host track within this state in calendar years 2010 through 2012.

3 2. Beginning January 1, 2013, if the requirements of subparagraph 1. of

1 (1) A thoroughbred track licensed to conduct thoroughbred racing may receive  
2 interstate simulcasts of thoroughbred, quarter horse, appaloosa, and Arabian horse  
3 races~~[- and quarter horse races]~~, and conduct interstate wagering thereon, subject to  
4 the following limitations:

5 (a) A thoroughbred receiving track may receive interstate simulcasts of  
6 thoroughbred races and conduct interstate wagering thereon at any time of day  
7 and during any live thoroughbred horse race meet conducted in the  
8 Commonwealth of Kentucky so long as the thoroughbred receiving track  
9 conducting interstate wagering remits to the thoroughbred host track  
10 conducting a live meet, from the first awarded day of its live meet through the  
11 last awarded day of the same live meet, the amounts provided in paragraph (j)  
12 of this subsection.

13 (b) A thoroughbred host track which receives interstate simulcasts and conducts  
14 interstate wagering thereon during the period of time from the first awarded  
15 day of its live meet through the last awarded day of its live meet shall offer the  
16 simulcasts to all thoroughbred receiving tracks, all harness tracks not subject  
17 to the provisions of KRS 230.377(2), and all simulcast facilities through the  
18 intertrack wagering system.

19 (c) Except as otherwise prohibited by law, a receiving track shall conduct  
20 intertrack wagering on all live races of all thoroughbred host tracks on any day  
21 on which it receives an interstate simulcast for the purpose of conducting  
22 interstate wagering.

23 (d) No host track shall require that any receiving track or simulcast facility  
24 receive the interstate simulcast.

25 (e) If more than one (1) thoroughbred track conducts live racing at the same time  
26 on the same day, no track or simulcast facility may receive an interstate  
27 simulcast of thoroughbred races unless all thoroughbred tracks conducting

1 live racing at the same time of day agree upon all interstate simulcasts to be  
2 received and the division of the thoroughbred host track's commission. If more  
3 than one (1) thoroughbred track conducts live racing at different times on the  
4 same day, the thoroughbred host track with the highest average daily handle,  
5 based on the preceding year, shall be the host track for purposes of splitting  
6 the commissions earned on interstate wagering at receiving tracks within the  
7 Commonwealth. For purposes of this subsection, average daily handle  
8 includes live handle, intertrack wagering handle, and simulcast facility handle.  
9 Also for purposes of this subsection, the time of day during which a host track  
10 conducts live racing commences with its first published post time and  
11 concludes ten (10) minutes after the published post time of its last race of the  
12 day, regardless of actual post times.

13 (f) Each thoroughbred track which desires to conduct interstate wagering  
14 pursuant to the provisions of this subsection shall during each year make  
15 application to the authority for no less than one hundred percent (100%) of the  
16 number of racing days awarded to the track in 1994 and one hundred percent  
17 (100%) of the number of races scheduled to be run by the track in 1993.

18 (g) Notwithstanding paragraph (f) of this subsection, any thoroughbred track may  
19 apply for less than one hundred percent (100%) of the number of racing days  
20 awarded to the track in 1994 or one hundred percent (100%) of the number of  
21 races scheduled to be run by the track in 1993, if written approval is obtained  
22 from the Kentucky Horsemen's Benevolent and Protective Association and the  
23 Kentucky Thoroughbred Owners and Breeders Association, Inc.

24 (h) A separate accounting on all interstate simulcasting shall be submitted to the  
25 authority. The accounting shall be submitted in the same format and at the  
26 same time that the report for intertrack wagering is submitted.

27 (i) If the only simulcast or simulcasts a track participating as a host track makes

1 available for interstate wagering through this state's intertrack wagering  
 2 system on any race day are thoroughbred horse races designated as graded  
 3 stakes races by the Graded Stakes Committee of the Thoroughbred Owners  
 4 and Breeders Association, Inc., then the commission of the receiving track on  
 5 these interstate wagers shall be split as prescribed by KRS 230.378(3);  
 6 otherwise, the commission of the receiving track shall be split as prescribed by  
 7 paragraph (j) of this subsection. Interstate simulcasts received by a  
 8 thoroughbred host track under the conditions set forth in this paragraph shall  
 9 not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of  
 10 this subsection.

11 (j) A receiving track's commission on interstate wagering, after deduction of  
 12 applicable taxes and any amounts required to be paid by contract to the track  
 13 from which the interstate simulcast originated, shall be split as follows:

- 14 1. Twenty-five percent (25%) to the receiving track where the interstate  
 15 wagering occurs;
- 16 2. Twenty-five percent (25%) to the thoroughbred host track designated by  
 17 paragraphs (a) and (e) of this subsection. However, if the race does not  
 18 occur between the first awarded day of a live meet and the last awarded  
 19 day of the same live meet, an additional twenty-five percent (25%) shall  
 20 be retained by the receiving track where the interstate wagering occurs;
- 21 3. Twenty-five percent (25%) to the purse program of the receiving track  
 22 where the interstate wagering occurs; and
- 23 4. Twenty-five percent (25%) to the purse program of the thoroughbred  
 24 host track designated by paragraphs (a) and (e) of this subsection.  
 25 However, if the race does not occur between the first awarded day of a  
 26 live meet and the last awarded day of the same live meet, then an  
 27 additional twenty-five percent (25%) shall be paid to the purse program

1 of the receiving track where the interstate wagering occurs.

2 (k) A simulcast facility's commission on interstate wagering on thoroughbred  
3 racing, after deduction of applicable taxes and any amounts required to be  
4 paid by contract to the track from which the interstate simulcast originated,  
5 shall be split as provided in KRS 230.380(9).

6 (2) A harness track licensed to conduct harness racing may receive interstate simulcasts  
7 of harness horse, quarter horse, appaloosa and Arabian horse races and conduct  
8 interstate wagering thereon subject to the following limitations:

9 (a) A harness receiving track may receive interstate simulcasts of harness races,  
10 ~~{and}~~ quarter horse races, appaloosa races and Arabian horse races, and  
11 conduct interstate wagering thereon at any time of day and during the course  
12 of any live harness horse race meet conducted in the Commonwealth of  
13 Kentucky so long as the harness receiving track conducting interstate  
14 wagering remits to the harness host track conducting a live meet, from the first  
15 awarded day of its live meet through the last awarded day of the same live  
16 meet, the amounts provided in paragraph (j) of this subsection.

17 (b) A harness host track which receives an interstate simulcast and conducts  
18 interstate wagering thereon during its live race meet shall offer the simulcasts  
19 to all thoroughbred receiving tracks not subject to the provisions of KRS  
20 230.377(2), all harness tracks, and all simulcast facilities through the  
21 intertrack wagering system.

22 (c) Except as otherwise prohibited by law, a harness receiving track or a simulcast  
23 facility shall conduct intertrack wagering on all live races of a harness host  
24 track on any day it receives an interstate simulcast from a harness host track.

25 (d) No host track shall require that any receiving track or simulcast facility  
26 receive the interstate simulcast.

27 (e) If more than one (1) harness track conducts live racing at the same time on the

1 same day, no track or simulcast facility may receive an interstate simulcast on  
2 harness races unless all harness tracks conducting live racing at that time of  
3 day agree upon the interstate simulcast to be received and the division of the  
4 harness host track's commission. If more than one (1) harness track conducts  
5 live racing at different times on the same day, the harness host track with the  
6 highest average daily handle, based on the preceding year, shall be the host  
7 track for purposes of splitting the commissions earned on interstate wagering  
8 at receiving tracks within the Commonwealth. For purposes of this subsection,  
9 average daily handle includes live handle, intertrack wagering handle, and  
10 simulcast facility handle. Also for purposes of this subsection, the time of day  
11 during which a host track conducts live racing commences with its first  
12 published post time and conclude ten (10) minutes after the published post  
13 time of its last race of the day, regardless of actual post times.

14 (f) Each harness track which desires to conduct interstate wagering pursuant to  
15 the provisions of this subsection shall during each year make application to  
16 the authority for no less than one hundred percent (100%) of the number of  
17 racing days awarded to the track in 1994 and one hundred percent (100%) of  
18 the number of races scheduled to be run by the track in 1993.

19 (g) Notwithstanding paragraph (f) of this subsection, any harness track may apply  
20 for less than one hundred percent (100%) of the number of racing days  
21 awarded to the track in 1994 or one hundred percent (100%) of the number of  
22 races scheduled to be run by the track in 1993, if written approval is obtained  
23 from the Kentucky Harness Horsemen's Association, or its successor.

24 (h) A separate accounting on all interstate simulcasting shall be submitted to the  
25 authority. This accounting shall be submitted in the same format and at the  
26 same time that the report for intertrack wagering is submitted.

27 (i) If the only simulcast or simulcasts a track participating as a harness host track

1 makes available for interstate wagering through this state's intertrack wagering  
 2 system on any race day are harness horse races (both final and elimination)  
 3 having a final purse in excess of seventy-five thousand dollars (\$75,000), then  
 4 the commission of the receiving track on these interstate wagers shall be split  
 5 as prescribed by KRS 230.378(3); otherwise, the commission of the receiving  
 6 track shall be split as prescribed by paragraph (j) of this subsection. Interstate  
 7 simulcasts received by a harness host track under the conditions set forth in  
 8 this paragraph shall not be subject to the conditions set forth in paragraphs (b),  
 9 (c), (e), and (f) of this subsection.

10 (j) A receiving track's commission on interstate wagering, after deduction of  
 11 applicable taxes and any amounts required to be paid by contract to the track  
 12 from which the interstate simulcast originated, shall be split as follows:

- 13 1. Twenty-five percent (25%) to the receiving track where the interstate  
 14 wagering occurs;
- 15 2. Twenty-five percent (25%) to the harness host track designated by  
 16 paragraphs (a) and (e) of this subsection. However, if no live meet is  
 17 occurring, an additional twenty-five percent (25%) shall be retained by  
 18 the receiving track where the interstate wagering occurs;
- 19 3. Twenty-five percent (25%) to the purse program of the receiving track  
 20 where the interstate wagering occurs; and
- 21 4. Twenty-five percent (25%) to the purse program of the harness host  
 22 track designated by paragraphs (a) and (e) of this subsection. However,  
 23 if no live meet is occurring, an additional twenty-five percent (25%)  
 24 shall be paid to the purse program of the receiving track where the  
 25 interstate wagering occurs.

26 (k) A simulcast facility's commission on interstate wagering on harness races,  
 27 after deduction of applicable taxes and any amount required to be paid by

1 contract to the track from which the interstate simulcast originated, shall be  
2 split as provided in KRS 230.380(9).

3 (3) A harness track may only receive interstate simulcasts of thoroughbred horse races  
4 and conduct interstate wagering thereon as provided in subsection (1)(b) of this

6 horse races and conduct interstate wagering thereon as provided in subsection (2)(b)  
7 of this section. A simulcast facility may only receive interstate simulcasts of

13 of this subsection.

14 (b) A receiving track's commission on interstate wagering, after deduction of  
15 applicable taxes and any amounts required to be paid by contract to the track  
16 from which the interstate simulcast originated, shall be split as follows:

- 17 1. Twenty-five percent (25%) to the receiving track where the interstate  
18 wagering occurs;
- 19 2. Twenty-five percent (25%) to the host track; and
- 20 3. Fifty percent (50%) to the Kentucky quarter horse, appaloosa, and
